Celebrate the Sweetness of Sankranti with Every Bite

Sankranti, one of India's most vibrant and joyous harvest festivals, is a time to honor nature's bounty, express gratitude, & celebrate the spirit of new beginnings. Marking the sun's transition into the zodiac sign of Capricorn (Makara), this auspicious occasion signifies the end of winter and the start of longer, warmer days.

At **SRI SHAGUN MITHAI VATIKA**, we believe that no celebration is complete without something sweet to share. Our specially crafted Sankranti sweets pay homage to the rich culinary heritage of this festival. From golden sesame laddoos (til laddoo) and peanut chikkis to soft jaggery-based delicacies and regional favorites, each treat is made using age-old recipes and the finest ingredients.
